

FOREWORD

NOVEMBER FOCUS

*“November’s sky is chill and drear,
November’s leaf is red and sear.”*

(Sir Walter Scott)

There is no rest for the wicked! - November is another busy month in the Biotech calendar, with the Neuroscience exhibition, followed by Medica.

Tim will be attending both, so if you would like to meet with him at either of these exhibitions, please contact melinda@pivotalscientific.com to arrange an appointment.

NEUROSCIENCE - WASHINGTON - NOVEMBER 13TH/16TH

MEDICA - DUSSELDORF - NOVEMBER 16TH/19TH

Follow us on LinkedIn

SeraLab Ltd offers one of the largest ranges of Biological Products in Europe, including Animal derived material, Human Tissues, Clinical samples and Disease State Material from donors with specific disease states or conditions. A specimen bank is maintained for frequently collected samples, with esoteric material collected to order.
